The Premises:

At luxury hotel where she was touring. Good, comfortable surroundings.

The Lady:

Exactly what it says on the tin. A fantastic personality all wrapped in gorgeous curves. Sensuous kisses and loving cuddles - a must for any booking, and delivered with such passion.

The Story:

I'd waited far too long before booking Sasha, she was very much worth the wait. We were going to start with a shared shower but events overtook us. Unwrapping her was excellent, each passing moment brought greater delights. Gentle fingers made her gush and she very much enjoyed the attentions of my tongue. A break and more kisses and cuddles followed along with a covered bj. A bit of mish and then a doggy pounding rounded things off beautifully.
