The Story:

Greeted by Lisa dressed in a saucy schoolgirl uniform, just as I had requested. She greeted with me some DFK and I then started kissing her neck and feeling her up. She seemed to be getting quite turned on and then dropped to her knees and gave me a lovely owo.

I then returned the compliment and this is when she started going a bit wild, coming repeatedly as I tongued her hard little clit. Her juices were really flowing. After she came about 5 times I then entered her in mish and then she went on top and started riding me and moaning at the same time. She then had another powerful orgasm. I finished off in her in doggy fashion and then collapsed on the bed. She then gave me a nice massage to finish off.

Tried to get a conversation going, but her English and my Polish were not quite up to it.

Doesn't matter though as she is a lovely passionate lady and you don't need words.

wWill definitely see again.
