The Story:

A cold, dark, rainy afternoon so decided to indulge. Jenny and Crystal available and after a chat with them both decided to go with Jenny. Tempted to go for the 2 girl special for just a tenner extra, maybe next time.

Quick shower, good slow massage and oral. Fondle and suck off those ample tits. Got down to business with plenty of verbal encouragement from Jenny. Few variations on missionary and a good pounding from behind. No serious time keeping here as she waited until i was properly 'spent'. Can't fault the place really.

Try elsewhere for younger girls though, only mature available here but nothing wrong with that.
