The Premises:

Top quality parlour, modelled on Sandy's in Manchester although not quite the standard in terms of the building but the girls are generally top notch.

The Lady:

Tall mixed race lady, prob mid to late 20s, slim with a great figure and long curly black hair.

The Story:

Went for the ?65 gfe and session started with a back massage, then rolled onto my back when she went straight into giving me OWO. Very quickly we moved into 69 and she gave me her dildo to use on her. Her oral skills are excellent and I licked and sucked her pussy while fucking her with her dildo - this went on for ages and I was amazed I didn't cum! Then on with the mac and sex in missionary while I kissed her - didn't last too long here and came.

Good punt
