The Premises:

Decent parlour with good rooms, well reported on by now

The Lady:

Blonde slim MILF in her 30s I would guess - the other girls working were all young foreign ladies and I just fancied an older English lady when it came to choosing - big mistake!

The Story:

Opted for the ?40 service which usually includes kissing, owo, reverse o and sex.

I got undressed and she came back in the room and she undressed but left her bra on - I hate that! Went straight for the old man and started to wank me off and then pretended to give me oral, ie she barely touched me with her mouth. After about 60 seconds of this on with the mac and sex im missionary - I was pissed off but shagged her quickly and came. Got dressed and left, all in 10 mins.

The younger foreign girls at this establishment that I have seen are much better and give a proper service, so I won't be making that mistake again.

I will continue to visit Club 25 but won't be seeing this lady again!
