The Story:

Not seen Bel for a long time but the rare opportunity for an overnight session was to good to pass by. Started off with a paricular fantasy of mine with Bel playing the part of a slutty streetwalker. We met at a prearranged time near her home then back to mine for a long night of mutual lust. Bel is extreemly sub she can take a hard slapping on her arse and tits. Inventive use of some plastic hangers as nipple clamps an attempt on the world record for ice cube insertion and deep oral both ways. For those like me who love being rimmed Bels's your girl deep sensual with a special twist. Eventually we both fell asleep exhausted. I would love to say we enjoyed another session in the morning but at my age it was never going to happen. To sum up a totally depraved session with one of the filthiest girls I have ever met
