The Lady:

Not the girl on the site - but very pretty,slim and one very sexy bum.

The Story:

Opted for Body 2 Body massage. Started with her crouched in front of my face, her pussy about six inches away. she slowly builds the excitement, sometimes massaging you other times sliding her body along your back. The feeling of her small pert breasts, nipples hard sliding along your skin-phew.

She relaxed my whilst at the same time slowly building to the final part.she does let you touch her,if you are nice and not forcing it. she crouched in a 69 position, her shaved pussy brushing my lips as she wanked me slowly- fantastic. great girl.
