The Premises:

Quiet suburban semi-detached at the end of a side-road - parking at top of road then short walk to front door - greeted by Miss Gaby then shown to upstairs bedroom for session - hallway being decorated but house clean and tidy (bathroom if required)- session room tidy and 'normally' furnished except for crops/paddles/restraints etc scattered about...

The Lady:

Miss Gaby is a VERY large mature (53 y/o) black/mixed-race lady with powerful arms and long and shapely legs. She mostly specialises in massage and mild-to-medium Femdom and is physically very strong indeed - and has a large juicy pussy that easily smothers almost all your face!

The Story:

This session consisted of foot, leg, pussy and bottom worship - followed by a tie and tease - topped off with an extended facesitting session (forward and reverse) - followed by a coffee and chat. I have seen Her many times now - and our previous sessions have included electro-play, CBT, crushing (underfoot and full body) watersports, strap-on training etc - She seems very open to most suggestions as to consensual play!!
