The Premises:

Lucy has a lovely modern place, easy to find with secure parking. Very quiet area which made me feel safe. Was able to have a shower and had mens toiletries which is always a bonus.

The Lady:

Lucy has a lovely, beautiful, open, honest face, along with a winning smile. Lucy is a blonde haired, blue eyed beauty, with great boobs which are very sensitive. Lucy is friendly and very outgoing, she has a great sense of humour and we talked openly about many topics. Great GFE.

The Story:

After loads of french kissing, we undressed each other. Then went for oral both ways and then I couldn't wait to get down to business with her, I have never cum like I have with Lucy. She milked me dry! I can't wait to see her again and have already sent her an e-mail about some fantasies I want to try with her which I am sure she will be turned on by.
