The Story:

Bad experience, I hate to be teased. She doesn't offer services advertised, no dfk simple lips contact, no cim, no cof, etc. Forget A-level ! Her english is poor so had brief chat, first off was a massage which was actually ok, but was just a time wasting tactic. Owo is simply a cursor movement, no tongue work and no eyes contact. She kept stopping to get wet wipes to clean her own saliva and a small mountain of wipes piled up by the bed. she started again, and then stopped, and started.... Total frustration. Had mish and nice doggie (her boom is made for A but...). There are lots of really good girls that make good services for the same price... Not to be repeated.
