The Premises:

Very nice clean apartment on 4th floor of new building close to the excel centre. Also very quiet area at least during the day when i arrived.

The Lady:

Very nice , very young says 20 , with smooth taught skin , toned & nicely tanned. Jennifer has long brunnette hair , an attractive face and shapely toned legs, a perfect round peachy arse and small but nicely squeezeable breasts on top of a toned slim stomach.

The Story:

Arrived & agreed on a cum twice service including cim, charge as per website - ?50. Jennifer looked better & younger than her pictures, petit toned sweet sexy & innocent, really looking forward to this one !.

After a quick shower joined jennifer in the room , where she revealed her gorgeous young nubile body !.

Began lying on my back & watched as my cock slipped exquisitely between her red lips ,each movement against her soft wet tongue bringing me closer to orgasm - my full load ready to explode at any moment.

Soon changed position, i stood by the bed & told her to get on her knees , to which she reluctantly complied. Then forced my cock deeper into her mouth & very soon exploded as she squirmed to extricate herself gagging a little as i held her firmly in position with a couple of deep magnificent strokes to the back of her throat releasing jennifer when completely satisfied at which time she retired to the bathroom spitting & gargling for some time!.

When she returned was very quiet as she joined me on the bed , looking like a moody teenage.

As i stroked her body i felt my cock twitching with anticipation and told her to begin sucking me off again. She slower lowered herself down & again gave her mouth a good fucking until i was ready & asked for a condom which was expertly applied.

Jennifer laid on her back at my request , entered her young tight pussy & slowly lowered myself on top of her until her nubile young breasts were rubbing gently against my torso. Fucked her like this slowly at first increasing the rythm pushing myself harder against her , holding her arse cheeks as i banged her until a final awesome ejaculation , my cock bursting inside her & twitching violently as i held her down until i was thoroughly satisfied.

I recommend Jennifer for her gorgeous body & innocent demeanour & willingness to perform albeit

with a bit of an attitude. May not appeal if looking for a GFE , not a great communicator, may be due to her tender years. I may well return as great value for money !.
