### The Premises:

Clean modern apartment, 2nd floor, very close to finchley road tube in quiet side road.

### The Lady:

Gorgeous attractive young brunette , early 20's. Quite tall 5'7, very Busty 36DD.

### The Story:

Agreed on ?70 for half an hour - cum twice & cim. seemed friendly.

Had a quick shower then returned to the bedroom as geena was disrobing for the action revealing large full round breasts , began standing in front of each other with deep passionate french kissing , pulling our bodies together so her breasts squeezed across my chest & my now rock hard cock pushing into her stomach. After some time motioned for her to kneel & she expertly began oral on my bare cock slowly at first then with a little help at a faster pace occasionally holding her head down impaled on my cock while she gagged and choked but never wavered - extremely professional young lady !, until the enevitable cum explosion - a few days worth !, while geena continued to lick & suck till the last drop before exiting to the bathroom.

She returned to give me a basic massage - not her speciality! , then turned over for a second session of oral sex, followed by missionary to completion - banged her for quite a while enjoying her young body before cumming inside her tight young pussy.

Very nice friendly & willing young girl thoroughly recommended!.
