The Premises:

The place was easy to find (on a main road), and ample parking nearby. The room was clean and well done out.

The Lady:

Sandy is a pretty, tall, sexy girl. What a body! Great breasts and a fabulous arse. She is bright, intelligent and probably early to mid twenties with a nice northern accent (not Preston). Very pleasant company and likely to call you 'love' :)

The Story:

Sandy gives the best head, albeit with a rubber one. Not much in the way of kissing and no fingers inside her, but apart from that she gave a lovely massage, turned me over, gave some amazing head (managed to avoid an early finish...just!), then I went down on her lovely, shaven pussy. Great tasting and it seemed I was doing something right by the writhing moaning, then big holding of breath...some more head, then doggy finishing with a mind blowing finish in the missionary. Highly recommend Sandy - smooth, chirpy, good looking and gives the best bloe job I've had so far...Only works Thursdays in Preston VIP as I understand it.
