The Premises:

Flat in Bayswater, clean enough busy and very safe just round the corner from tube station.

Bathroom not so good but bedroom was fine.

The Lady:

Really nice looking student type girl who just seemed so innocent and fresh but she knew what she was doing.

The Story:

Another good recommendation by Pat and I really enjoyed my hour with English Lucy. Very University looking / Student type (my favourite as you know they are more part-time) and I thought she my not interact well.

However, once out the shower (not great) and handed over her present she soon got to work with a really soft BBBJ and her thumb massaging my balls. I had been in London for solid training over 3 day(s) and it just felt great to finally relax with a 00-44 lady.

Didn't last long and shot my load (felt like a big load) in her mouth as she was gently sucking. If felt great and Lucy showed me as promised before swallowing - said she liked to swallow and I thought why aren't my ex-girlfriends more like you ! - sob sob sob.....

We got talking and I found out why she is rarely available busy studying and so highly intelligent. I wish I could of met a girl like this when I was a student but ho hum never mind to busy getting drunk !

More Oral and this time I lasted longer I loved her technique (practice really makes perfect I suppose) and I lasted a while and really enjoyed her working me to another strong cum in her lovely mouth of course - my favourite.

I had around 10 mins left and at no time did she rush me , I really enjoyed her company and would love to see this girl next door again ! I could of tried for a 3rd load but with time running out decided on a shower and bite to eat as Lucy really had lightened my load.

Thank you Lucy a rare find Pat - girl so bright and such a sensual, slow blowjob you were great.

Good Luck with your studies.

See her before she disappears for good.

Even an overnight would be worth it IMO.
