The Premises:

Well known Soho walk-up, where I've practically always had a great time. Bit public going in and coming out...

The Lady:

Katy is widely described on this site; I think she's gorgeous - slim with beautiful big tits (FF)

The Story:

This is my third visit to Katy and she has always given me a totally fantastic time. What has made the last two sessions extra special has been the agreement that for an extra payment I can take photos as well as the usual sex session. We had a lovely time - I think she enjoyed it too! - there's something really sexy about getting somebody to pose for you - and her lovely, curvy body drives me mad anyway! A truly fantastic, sexy, sensual session - and we had a laugh too!
