The Story:

this was my first visit with Nikki and i was left utterly amazed at the experience! she explained the rules of the house and then asked me to undress.i lay on my back and she immediately started playing with my cock, which put me at ease.she was very chatty and very sexy, with her easy going manner.we talked about favourite positions and sex in general and it was very intimate - which i liked.we started having sex with nikki on top before i turned her around and gave it her from behind - from the sounds she was making she seemed to enjoy it!a wonderful lady and a great experience.
