### The Premises:

Modern flat in a large apartment block. Located on the fourth or fifth floor with no lift. Flat was clean though untidy. Quite warm inside owing to time of day and flat's location on an upper floor.

### The Lady:

As per her profile pics which are accurate although she was without any makeup on and therefore looked a little less glamorous. Attractive, Polish, probably mid-20s, about 5'5" with dyed blonde hair and large natural breasts.

### The Story:

I arrived outside her flat and notified her. She came down to pick me up and we proceeded up the stairs. I had originally booked for an hour and confirmed with her that her only extras were CIM and anal and that the remaining services on her likes list were included in the price. I paid her for an hour. After a shower and a few minutes of chat lent in to kiss her and was rebuffed. I was informed that she did not offer kissing at all let alone the French kissing listed in her likes list which she confirmed was available in her rate only an hour before. I don't think I had bad breath as I had brushed my teeth once and used mouthwash three times about 30 minutes prior to our booking. Unfortunately this soured my mood quite substantially. After several minutes of arguing, she reluctantly (though to her credit) gave me back the difference between her hourly rate and half hourly rate. I enjoyed the shower.

While Cleo is attractive and polite (though I wouldn't say friendly) and while she may deliver a great service for those for whom kissing is not a must, I felt misled about the services she offered and therefore would not recommend.
