The Premises:

First time visiting and I was made to feel very welcome. The establishment was very nice and clean and the receptionist was very polite.

The Lady:

I wanted to see a busty lady and that was exactly what i got. Nicole has the most perfect breasts i have ever seen and an amazing arse to match. She is a very attractive lady and I couldnt have asked for more.

The Story:

It was clear from the start that Nicole actually knew what she was doing when it came to massaging. She was very attentive and kept great conversation while she was doing it. She is a very seductive woman and certainly has a way with words. I was allowed to give Nicole a massage too which meant i could admire her body even more. She made he feel totally at ease throughout. I only wish she worked else where so I could have been able to have even more fun with her.
