The Premises:

Large premises, safe parking round the back. Entrance is at the top of an exterior stair, which is fine if the door is open when you get there - which it was. There's another entrance at what can only be described as a busy junction.

The Lady:

Petite olive-skinned beauty, beautiful eyes and smile, great skin. About 25, I'd say.

The Story:

Lovely punt. She has an oral technique which on sight looks unremarkable but feels very good indeed - I haven't worked out just exactly what she actually does (yet) but it is fabulously effective. Straight sort of a session with sex in mish and doggie. She was friendly throughout, and there is a look in her eyes that makes me suspect there is much more available to accomplish on future visits.
