### The Premises:

clean tidy , cheap parking and a very strategically placed mirror.

### The Lady:

gorgeous blonde , lovely accent and great company.

i cannot praise adele enough for a fabulous time.

the pictures do not do her justice and she looks so much younger than she has admitted to.

### The Story:

one of my best punts ever, she managed to entertain me solid for the whole 1/2 hour . a pleasure to talk to, and asked exactly what i wanted and made sure i enjoyed every second of it.

the type of girl you would want as a partner, a fantastic angel, with a dirty side to her.

she would be any mans, dream woman and more.

again one of my best ever punts, i will be back soon.
