The Premises:

Studio apartment away from the main roads, nice decor inside. She says she doesn't have a set base and rather books a room when she has a booking. I had to wait roughly 20 minutes for her to get the key to the room, and I'm glad I did

The Lady:

She has one of the sexiest bodies I've ever seen. Slim but curves in the right places. Pearly white teeth, dazzling smile, great pair and a soft, peachy bum. Pics on her profile are very accurate.

The Story:

Friendly chat to start with before we got to know each other better. Those mirrors on the walls are a great touch. She has an incredible body, beautifully smooth, soft skin and a very friendly personality. She doesn't do FK as stated on her page - though she does kiss, and OWO and Anal are extra. Has a larger labia than other girls I have seen, but she does cum quite quickly so that is a plus for me. Good oral and sex, did I mention an amazing figure? - a very nice punt on such a nice day.

She does watch the time but nonetheless I thoroughly enjoyed my hour.
