### The Premises:

Plenty of parking and place was okay but I wasn't there to judge the decor.

### The Lady:

Marilyn is, I would guess, in her forties and is short and plump - just the right build for me. She has a fantastic pair of tits, a wonderful round bum and a sweet pussy that is very welcoming.

### The Story:

Hot sticky day and I was feeling decidedly horny so popped into Galaxy on the way to the motorway. Marilyn and Charlie were on but I didn't have a choice - stripped off in the room and Marilyn came breezing in. She got her substantial tits out and got straight down to work, wrapping them around my cock. She teased and played with him for a few minutes while I stroked, squeezed and sucked on her wonderful knockers. I was really in the mood for somebody like Marilyn and when she bent over the end of the bed I was happy to slide into her damp pussy and quickly grind my way to a very satisfying climax.
