The Story:

I chose Linda out of a choice of three because of her big friendly smile, her long legs and her wonderful bosom. She took me to one of the club's rooms and we opted for the 1 hour booking. When she came back she stripped off for me and then helped me undress, paying very close attention to the right area. She told me to lay on the bed, and even though I was quite ready she gave me a teasing massage with powder and tickled me between the thighs before turning me over. She seemed to see that I was even then on edge so she played slowly, reassuring me that she could stop when I wanted as she lathered me with lube. When I was ready she used her mouth to put on a condom that applied a condom with her mouth and gave me a slow, soft blow job, before sitting on me. She told me to tell her to stop if I needed to but it didn't take long for me to blow. After which she offered a shower with her, but I declined being in a rush for work. Thanks Linda, I had a wonderful afternoon with you!
