The Lady:

My type of lady. Slim, leggy, curvy and buxom at the same time. Been waiting for a few more photos of Shamilla to go up on their site, but Indian Palace have not seem to have done that for a few weeks. I can say that one picture of her is genuine.

The Story:

Had a lovely session with Shamilla, she made be feel young! I've never experienced a Mauritian lady, what a nice surprise, I didn't know what to expect! After a stressful day at work it was just what I needed. Decided to ask her to tie my hands together. She did and drove me crazy with her teasing. Whilst I was happily tied up she gave me fantastic oral with lots of tongue teasing. From there she went on to tease me with hand relief! I was trying to hold out for as long as possible! She is such a sweet young lady and really made sure I was happy. I finally came by hand relief, my fault as I just wanted to lie there lazily with my hands tied and watch her tongue for a bit which led to running out of time. Next time, I will definitely be venturing inbetween. It was a really fantastic half an hour and I left feeling very naughty but great at the same time.
