The Premises:

Secure clean apartment, conveniently not far off the M40 at High Wycombe. On the day I was there, there wasn't any hot water, but it was a hot enough day for that not to trouble me too much.

The Lady:

Samantha is tall and tanned. She had a few cute freckles on her chest, and she has a perfect figure, with a sublime bottom. She's got long dark blonde hair and a very attractive face and manner. As another report of her has said, she's the kind of woman that you'd be delighted to have on your arm out in public, and I can't say it better than that.

The Story:

For me this was the perfect (and long needed) GFE. Sam was kind and sweet and very easy to talk to and have some naughty fun with.

Sam allowed me to explore her sublime body and indulge myself, while treating me to some wonderfully hedonistic pleasure. She was very interactive, and I especially enjoyed that there was lot's of eye contact between us - she was really enjoying seeing how much pleasure she was giving me.

She might well be addictive, I'm already looking at my schedule to see when I can hopefully visit her again.
