The Premises:

Basement flat in terrace, a couple of minutes walk from the station.
Plenty big enough, all clean and well appointed

The Lady:

Very attractive, dark hair and with those striking, piercing eyes Eastern Europeans have. Said she was from Hungary.

The Story:

Some might say it's expensive, with no oral or penetration, but I found it to be an intensely erotic hour. You just lie back and indulge (or more to the point, get indulged). To me it was a bargain.
