### The Story:

Sadly the practice of bait and switch is not entirely dead as this punt demonstrated. The V London website photos of "Ria" show a very good looking escort once known as Angelina (see FR 83132) and now as Karla (see the Vixens-London website). The woman who arrived at my door was a completely different person - short, stumpy and considerably older. To her credit, when I challenged her, she admitted that she was not the girl in the photos. I considered sending her away but you know how it is. Sex was ok, though she then spend the best part of half an hour in the bathroom preparing herself for her next appointment (which was a bit much considering that she had arrived almost 40 minutes late). 4/10 for the escort. 0/10 for the agency.
