The Premises:

A clean lovely studio flat, safe a good location.

The Lady:

She looks exactly like her photos - beautiful reddish brown hair, slim, medium height. She wore the same black dress as in her photos online and very high heels, just to make her look her best and like her photos too. When i arrived i felt i had met my perfect girl, though she's not quite as slim when naked and without the heels.

The Story:

Wow! An amazing kisser, great fun, great blow job, great sex. The perfect GFE, though she was a bit of a clock watcher. I got every minute i paid for, exactly.

I'll be back - this was brilliant, and a bargain too.
