The Premises:

A clean nice flat in a mansion block, which feels like it is shared by these two girls.

The Lady:

I've previously reported on Dee/Deea, and this was a threesome with her flatmate Deborah. Deborah has the most beautiful face i have ever seen, but as a Dee fan i have to say that Dee has the better body!

The Story:

This was good. Kinky and naughty. I was handcuffed to the bed by Dee, blindfolded and then Deborah was brought in (all as previously agreed!) i had never met the girl, but soon was getting very intimate with both of them, trying to guess who was who in my head and doing all sorts of things that are mindblowing if you have never seen the girl you are with. i came inside Deborah with Deea sitting on my face. The blindfold was removed, we chatted - Deborah was lovely - and then round two. Go for it!
