The day we met Danielle was working from a 4*hotel in Picadilly. Nice clean room. No problems.

English blond girl in early 30s. Beautiful fit body with amazing breasts. Very friendly, makes you feel at ease, easy to chat up.

The Story:

I was after a relaxation hour and meeting Danielle on a Monday morning before going to work is definitely a very good way to start a week.

She began to massage my back, very soft hands and seemed genuinely interested in giving a good massage. After about 15 minutes she had me turn over and we settled on a nude massage to finish things off. She definitely enjoys having her nipples played with and sucked, and she has no problem at all with me touching her. The oral action was very intense and not at all mechanical and she gave the impression that she was enjoying herself as well. She actually slowed down a couple of times to make certain that things didn't finish too fast, and when I finally did cum, it was a great sensation and seemed to please her as well. I had only purchased 1 hour, but between everything was there closer to 75-80minutes, definitely no clock watching here. After I shot off she continued to massage shoulders, forehead, and neck, and I left feeling entirely relaxed and stress free. I did not expect it would be this good !
