The Premises:

Nice parking outside, easy enough to find

The Lady:

Photos were fairly accurate, less pretty than the pics, darker in real life, well toned body. Very little English, Rude and somewhat impatient.

I didn't really want to write about this painful experience but I am obliged to warn others.

The Story:

In short: Louanna= Ranya

Please see my report on Ranya 6 months ago, I still couldn't believe that I fell for it twice, I actually had to leave the booking 1 hour earlier because it was so bad.

I Felt like I have been robbed twice, silly me.

Please don't repeat my mistake.

She's only worth 30 mins,no more.
