The Premises:

Really nice flat, clean, and safe, discreet with lots of parking. But beware visitors to MK, make sure you buy your ticket from the correct machine, otherwise you will end up paying a fine costlier than your punt.

The Lady:

Adele was absolutely gorgeous. Says she's 30 but looks so much younger. Lovely figure, about size 12, but a smile, and a cheeky look to die for, oh and she has a fabulous body. Thought she was amazing from the first moment I met her.

The Story:

Adele was wonderful. I was nervous, never having been here before, but she was so cool, before money had even changed hands, she gave me a big kiss, and cuddle, and said 'No reason to worry'. She is a bit of a naughty girl, stripped off all my clothes, kissing and hugging me all the time. Then on with OWO, deep FK, then 69. Said my turn now, laid back and had me lick her pussy, so sweet, until she came. Finished off with sex (Protected) doggy style, wow, brilliant. Best thing, even after I came, not just shown the door, she gave me a really big cuddle, held me and teased me some more, with lots of kisses. Been punting for some years, but I can honestly say this was my best punt ever. Love to keep her for myself, but know I can't.
