The Premises:

Clean and tidy, typical Boudoir, discrete, free parking in pub/shops car park.

The Lady:

Tasha is a BBW, Big (to which she admits), Beautiful and Woman.

Unlike many BBW claimants the Beauty is all there albeit in a slutty type of way!

I had met her a few years ago, but hadn't gone back through being nervous about her Husband finding us, this is no longer an issue, it seems!

The three features that stand out are her lovely soft kissable bright red lips, her fountain of blonde hair and her neat and tight pussy.

She is sassy, bubbly and bright and knows how to give pleasure and to be pleased.

She offers a super drool blow job with cim (obviously) and I was keen to give this a go.

The Story:

We went up stairs to her boudoir and I got undressed.

She deep French kissed me which left red bright red, strawberry lipstick on my lips!

She laid on the edge of the bed and spread her legs wide so that I could get to her pussy.

I licked up and down inbetween her pussy lips until I found her pierced clit.

Opening her lips with my hands, I looked at her tight, neat lipped pussy and then proceeded to lick around and up and down her

clit.

She was getting very wet, so I inserted two fingers all the way in and started to stimulate her G spot.

'Gently please', she

asked me.

After a few minutes, I went back to her clit and licked it for all I was worth.

She started to moan and the convulse and I thought she had come, but when I stopped, she told me to go back to licking her!

Eventually she came, thrusting her pussy against my tongue and face, soaking my beard with her juices.

I came up and we kissed again, her juices mingling with mine.

Then it was my turn, so I laid on the bed and she arranged me so that I would get the best view of her sucking me in the mirror.

She soon had me rock hard and those bright red lips were enveloping my cock, the experience enhanced by her tongue on my helmet.

Swirling her tongue around my helmet, drooling, licking up and down my shaft, sucking me into her mouth and taking me to the

hilt, soon had me moaning with pleasure.

Constant eye contact and the occasional wink added to the effect.

Looking over at the mirror, I could see my cock disappearing into her red soft, warm mouth, all offset against a mound of blonde

hair.

It doesn't get much better than that!

I knew that it wouldn't take long to come and she sensed this, speeding up the head bobbing and, just in time, almost like I was

wanking myself, I shot my cum into her mouth.

Unlike many ladies, she didn't pull away and stop, Tash kept on bobbing her

head and sucking until I had finished coming.

She came up to me and, as agreed, French kissed me, swapping my cum back and forth between our mouths.

Droplets of cum were on her red lips and some was running down her chin, so I licked this off.

We cleaned up, though there wasn't much to clean up apart from her lipstick on my lips and cock and sat and chatted for a while.

I was drained, so couldn't manage it again in the time and, to be truthful, my tongue was aching, so I just played with her some

more, laying along side her and rubbing her clit.

A wonderful Lady, expert in pleasing a man, hopefully she will be around for some time!
