### The Premises:

I have visited the Head Office a couple of times before. It has recently been refurbished as was great

### The Lady:

Small petite/very cute looking girl. I believe she is 18/19 and is new to the business. Very attractive and small in all ways. Gorgeous little boobs, shaven, shoulder length dark hair. Mega pretty "girl next door" look. Loved it

### The Story:

Although she seemed quiet at first, she soon got in the flow. Really enjoyed the gentle build up. she was an absolute sexy delight, wonderful kisser and finished up giving me the best BJ i have ever had. She is amazing!!!!!!! All I have to do now is not fall in love with her!!!!

Highly recommended!

Love Mr G x
