The Premises:

yes samanthas is a very clean and very tidy place and also its location is of the main road and in a low key place aswell and is well recommended to visit.

yes i do feel very safe each time i visit because i always get a warm welcome by the receptionist who answers the door and sometimes i also get a apology if chantelle is running late, but my reply is always the same it's okay chantelle can take aslong as she like i am in no rush at all and i was offer a drink wild i was waiting for chantelle.

The Lady:

the time had come for me to see chantelle and i was taken to the room and was offer a shower which i accepted.

i had just got out of the shower and got dryed and then lay on the bed when this gorgeous and fab lady walked into the room and the first thing chantelle said to me was ** i have miss u loads ** chantelle then got on the bed on top of me and we started kissing and cuddling and then I told her all about my cycling holiday which was great, but also it was great to see chantelle again ** it had been to long **

chantelle than started giving me some oral started by slow long strokes and then getting faster and faster longer and longer it was great and then it was time to change round and then i give chantelle some oral just the way she likes.

We then had a bit more kissing and cuddling and a bit more talking and then I gave her a massage which she turned round to me and said I need this and thank u

it was than back to more oral from chantelle and it doesn't matter how long u spend with this amazing lady the time just flys by and then we finished it of with watersports.

chantelle thanks again for a amazing time and the next time i see u just cannot come quick enough because u are such a wonderful and amazing gorgeous lady love u loads xxxx
