The Premises:

As usual Ego was up to its high clean standard with safe parking just outside. Young receptionist welcomed me at the door and showed me straight to the room.. Could do with more receptionists like Milly.. Your well looked after from the moment you arrive.

The Lady:

Photos of Karina are accurate but she looks better in real life than on a computer screen.. Best description i can give would be a Brazilian Samba dancer, beautiful and busty..

The Story:

I see Karina a few weeks ago just after she started at Ego and although i thought she seemed nervous and lacking a bit of confidence i had already made my mind up to return as she seemed to have something the others didnt. To post on Punternet then would of been unfair on her so i thought i would wait and go back and see if she had come out of her shell.. Well im glad i did, not only had she come out of her shell but she was brimming with confidence. The massage and body to body was excellent and second to none... To try and describe would not do justice. With that in mind gents get in quick before she gets too busy as this girls another star on the massage table..
