The Lady:

Gorgeous blonde with big boobs. Website says she is in her late 20's but I would say she is the other side of 30, but still stunning.

The Story:

Booked a 14:30 appointment with Chantelle, having been disappointed at two other parlours where the advertised ladies had either left or not shown up.

Having showered, Chantelle came into the room as I was drying off, she offered me a massage which I accepted, during which she rubbed her boobs up and down my back and tickled my balls.

Turning over Chantelle asked if I kissed, of course, would I like O without, yes why not and did I like my ball being licked, Oh yes.

That done Chantelle came over and we started to kiss then she pushed her boobs in my face, whilst I rubbed her pussy. Then she slid down to give me some of the best oral I have had for ages, full deep throat and as promised attention paid to my balls.

Switching round I go to work on her pussy, which soon becomes very wet, I stay down between her legs as long as I can, but eventually have to come up for air, Chantelle immediately starts playing with her clit and encourages me to finger her as well. Time to screw her I say and Chantelle expertly applies the condom and I enter her, and an energetic fuck ensues.

Unfortunately I can't keep it up, and so we part and finish with some mutual masturbation.
