The Story:

I'd only just returned to 'punting' today..rang a couple of numbers from the local newspaper and when I heard this lady (Australian)..she was the one for me! and lads I wasn't let down. The perfect 'punt' clean, smelt like she looked ..wicked, wanton and willing. In my time I must have been to well over 300 punts...but this lady is why we blokes 'punt'! Would I see her again..absolutely no doubt!
