The Premises:

Shared flat in a residential street in Edgware. Easy parking but a fair walk from the tube. You may get suspicious looks from some of the Orthodox Jews who live in the building.

The Lady:

Young woman from the Balkans. Medium height and build, early 20s, small pert breasts, dyed brown hair, quite a pretty face. Photos on her profile page are slightly flattening but broadly accurate.

The Story:

Viviana (aka "Sexy Viviana") is a pleasant, quietly spoken woman from somewhere well to the south-east of London. I think she said Bulgaria. She has the virtue of not over-acting and seemed to enjoy sex in a quiet sort of way. Other services fairly vanilla though reverse oral available. Decent and good value punt though Edgware is a bit too out of the way to justify a return trip.
