### The Story:

Thalia claims to be Spanish. My linguistic skills were too poor to put the claim to the test, but if true then perhaps it is an early sign of the effects of high youth employment in Spain. As they say, it is an ill wind ....

An enjoyable punt with an enthusiastic and responsive young lady. Various additional services were on offer but plain vanilla was enough to keep me happy. I probably won't return, but don't entirely rule out the possibility.
