The Premises:

Very clean and tidy. More places should be in this style very welcoming. Discreet side door on residential street.

The Lady:

Denver is of exotic appearance. In her 30,s but the body and attitude of a girl in her 20,s. great enhanced tits perfect size I think 34e? Denver is not only friendly but has that porn star appeal.

The Story:

Every time I travel north I always pop into Crewe as it seems to have some of the best parlours around, the south really needs to take a leaf And the prices up north always good value for money. 3 girls available, black girl with big tits, cute blonde with big tits and Denver. I almost considered the blonde but didn't feel she was as warm to me as the other 2?? Also Denver gave me a hug and a kiss on introduction which always does the trick.

She sucks cock covered like a dyson! Fucks like a pornstar! And is better value than Morrisons! All round star. Love the way she spits on your cock when blowing you.

Will be back but this place seems to make you spoilt for choice, might try the blonde next time build some north south bridges! Receptionist very friendly and made me feel at home , a MILF herself ;)
