The Premises:

A private house in a quiet side street, easy to find and plenty of parking spaces. Very clean and atmospheric (candles and soft relaxing music). Shower facilities.

The Lady:

A very attractive blond Polish girl in her early 20's.

The Story:

Agnes does not offer a full blown sexual encounter but a very sensual / relaxing naked body to body massage which lasts for the full 1/2 hour and is finished off with a fantastic hand job. Well worth the money, I certainly will be back to see Agnes or one of her other friends, who knows I may even go for the four handed massage !
