### The Premises:

A motel near Maidstone. I was given the room number by text from the car park. Very safe location and clean hotel room with bathroom.

### The Lady:

A really beautiful tallish young tanned Spanish lady with a fabulous body, long black hair and fully shaved down below. As pretty as a picture. Perfect breasts and skin. She spoke good English.

### The Story:

I contacted Fernanda by text and checked that she didn't mind seeing mature gentlemen and luckily she didn't. We undressed and I had a pleasant 30 minutes with her. Services somewhat limited and mechanical but I was more than happy to spend my time with my head buried between this lovely senorita's legs enjoying her sweet-tasting charms. A few fake oohs and aahs aside it was a highly enjoyable encounter.
