### The Premises:

Clean and safe hotel in Lancaster Gate.

### The Lady:

Attractive (polish?) blonde but I don't think it's the same girl in the pics.

### The Story:

Another complete waste of time & money. She advertises on the purple site. (Haven't had much luck with that site lately so maybe I'm not gonna use it anymore). On the phone she agreed to owo and fk then when I got there, after I handed over the money, she said she won't do these services. I asked for the money back but she refused so I decided to stay. Service was half hearted and limp like my dick.

She works with other girls in the Lancaster Gate/Paddington area so be careful. Just a con and sham in my opinion.
