The Story:

I was still drying off after the shower when Holly came into the room which was nice cos sometimes I have to wait what seems like ages. we sorted out what extras she did & the do's & don'ts then straight on to business without bothering with the massage, starting with a bit of stroking & touching each other then we went into a 69 where I discovered just how good her BJ skills were as I had to stop her a few times to stop myself blowing too soon. I could have stayed like that all night but sadly I didn't have the funds or the time so on with the johnny and straight into doggy but the sight of that cute, sweet, sexy little arse was too much and I very quickly filled the bag. Got dressed, paid her and was shown the door with a kiss & quick hug and left.

A lovely, friendly great girl, very highly recommended.
