The Lady:

Not as the photos on the website or the sizes given e.g. Size 8 34c. Dress size I would say was larger C was probably correct but not 34. From photo would not have recognised lady at the hotel room door.

The Story:

Saying this enjoyed her visit however the arrangement was for time plus ?60 for taxi she only spent about 1 30 mins with me and then said it was time to go. How ever very good oral which was both ways and although her english was very limited she was good company. Some of the issues are with the Agency rather than Honey as the price was wrong and the photos either of someone else or well doctored. Hence I would not recommend or use this Agency again, however do not be put off as Honey was good fun and a plasant girl but not what I expected which is the Agency.
