The Premises:

Rachel lives in a 2 floor flat in a residential street in Brighton. Very well kept, clean and tidy. Nice shower which I made use of. Ample free on street parking.

The Lady:

Rachel is a stunning lady in her 40's. Well proportioned with ample curves in the places which I (and probably most men) enjoy. Intelligent and easy to talk with.

The Story:

This is the second time I have seen Rachel. She is always very welcoming and we started with a chat and a drink which helped me relax before moving on to other activities. Prior to meeting Rachel I had agreed with her that we would start the session with Tie & Tease and then move on to GFE. This is the first time I have ever experienced Tie & Teasewith anyone. My hands were put in soft handcuffs which do not mark and a blindfold was put on me. Rachel is then very much in control for what as she says is a fun session rather than anything too heavy. I really enjoyed being completely at her mercy with the anticipation of not quite knowing what she would do next. I won't go into too much detail but what followed was a lot of touching with her hands mouth and body on various bits of me and also the use of some toys. Rachel was very gentle tender and sensuous and had me close to climax several times which really enhanced the experience. I was a little unsure about wearing a blindfold but it really added to the experience.

Then we moved on to GFE. I am at the time of life where I like to take things quite slowly with plenty of cuddles along the way and Rachel was very accommodating with this. I do not like to go into too explicit detail but her oral skills are excellent and we enjoyed sex in several positions. I have perhaps led quite a sheltered life but I can genuinely say that sex with Rachel was the best I had ever experienced and was not rushed at all.

To sum up Rachel is a stunning curvy mature escort with a great body. She is also intelligent and good at conversation which made me feel relaxed. Perhaps because she is a mature escort she had a very good understanding of what I wanted from my time with her and did her utmost to fulfil my needs. Tie & Tease was new to me and exquisite and I certainly wished I had tried it before and the GFE really rounded everything off. A great all round experience and I certainly will be seeing Rachel again.
