The Premises:

Sandy's place in the bay was clean, tidy and I felt very safe.

The Lady:

Sandy has long blonde hair, slim, great medium size natural tits, she is rather pretty, has a bum to die for and a sweetly tasting shaven haven.

The Story:

Sandy was great fun from the opening whistle she was very enthusiastic about all the activities we shared. There is not much that Sandy doesn't like, although I don't think she likes Anal. Sandy is quite submissive I think and I'm sure she enjoyed the gentle thrashing I gave her gorgeous buttocks. We shagged in several positions, however I should explain that Sandy's main passion in my opinion is sucking Cock, she enjoys it and is very good at it and unless I'm very mistaken she swallowed the lot.

A great hour spent and on the way out she introduced me to her mate Rani a very nice looking Indian girl, next on my list methinks. Thanks Sandy.
