### The Premises:

It was clean I felt safe

### The Lady:

Tallish, but in her high heels towered over me.

Slim with out being skinny. Beautiful natural tits.

Beautiful. Lovely face and lovely body.

On the day she had shocking red hair (wig). But it made her even better looking.

A Beautifull black lady

### The Story:

A bit of a chat, she held my money up to the light to check if real. So we laughed as I said I wanted to hold her tits up to the light. (they are real and natural, and big with out being too big. A goood handful).

Started with kissing, undressing. Then owo.

To be honest I just wanted to have her on her back, with me riding a way. From the moment I saw her. I had an instant hard on from the moment she bent over looking for some thing in the cabinet on the side of the bed at the start of the session.

Any way after the owo, sucked her beautiful tits. Lovely large and natural.

Asked her to go on her back, and one of the best fucks I have ever had. A wonder full lady.

I wish I could have gone back the next day she was available.
