The Story:

The last time I saw Tia was way back In '07, when she was a HoD star, I noticed she was back working In MK, so I made sure to book In advance.

As soon as Tia entered the bedroom she recognised me, which was a surprise, as It's been a good 5 yrs since our last meet, she has the memory of an elephant, but not the body of one I'm pleased to report!

The session started with french kissing by the bed, I popped off Tia's bra, and got hold of her big boobies, nice size with large nipples, then I sat on the edge of the bed and Tia got down and gave me OWO, this progressed onto the bed, more kisses and briefly I gave her pussy a licking, more OWO, on with the condom, was given more oral, then Tia got on top for cowgirl, from there we did doggy, a good position to grab hold of her hips, then Tia flipped over for Mish, she was rubbing her clit while her legs were over my shoulders, and kissing continued.

This was a very fun session, and just goes to show after 5yrs out of the game Tia's still got It! I will be back to see her, and would recommend her to other punters who like sexy tall English girls.
